## 600S Cabaret Followspot

Product Number: 600S  
Product Reference: 600W Quartz Followspot  
Typical Throw: 25 - 75 Feet  
Lamp Base: GY9.5  
Lamp Reference: DYS  
Weight: 35 lbs

*The ideal followspot for small theatres, churches, and clubs. The 600S' compact size makes it easy to transport as well as operate. The 600S utilizes the economical DYS 600 watt quartz lamp. The 600S has all of the features of our larger, more expensive followspots, at a fraction of the cost. Varying beam size is accomplished with the internal iris control and the followspot is ideal for projecting up to 75 feet. An optional four color boom with dowser is also available.*

### FEATURES:

- Optional Color Boom With 4 Colors And Dowser is available
- Iris Control
- Internal Muffin Fan
- Adjustable Tripod Stand
- Power Switch
- 25' Power Cord With Grounded Edison Plug
- Quiet Operation
- Budget Priced
